

A Quiz Show Tournament for Stage Four students from schools with a Connected Classroom in NSW DET

JEOPARDY!

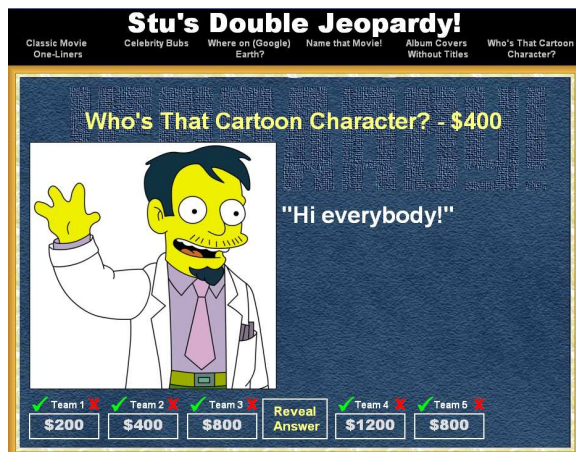

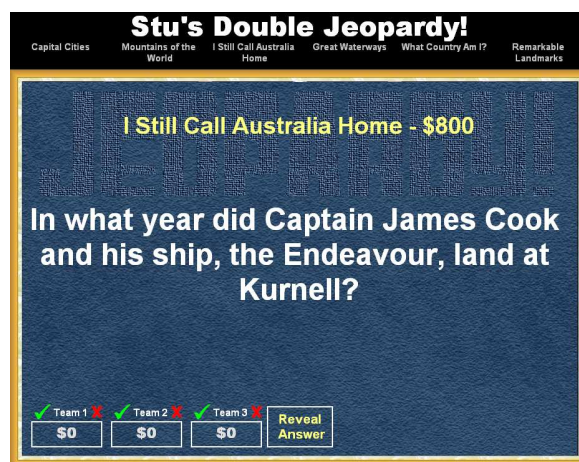

WHAT?: A great quiz show tournament based on the Jeopardy! game show, with heats **matching up four public primary schools** at a time. The 1st & 2nd placed schools from each of the **eight heats** will then compete in a **finals series** to see which school is crowned **Stage 4 Jeopardy Champion!** This tournament is a **Connected Classrooms Project** aimed at the innovative use of video conferencing between schools. Each participating school would nominate **up to FIVE stage 4 students** to represent as a team in a quiz of Stage 4 and General Knowledge. The great thing is **no students will need to leave their school to participate** as the video conference system in your interactive classroom is all you need!

WHEN?: There's not much time to waste! This **Connected Classrooms Experiment** will be run throughout Term 2, 2009!

Heats (AM)	Heats (PM)	SEMIs	GRAND FINAL
Thurs 9:30am Wks 4 to 8 Four schools per heat, four heats	Thurs 2pm Wks 4 to 8 Four schools per heat, four heats	Mon-Wed Week 10 9:30am/2pm Playoffs for heat qualifiers	Friday Wk10- 9:30am

Each heat/final takes less than one hour. Grand Finalists will have completed four matches in total (*with three matches in week 10*).

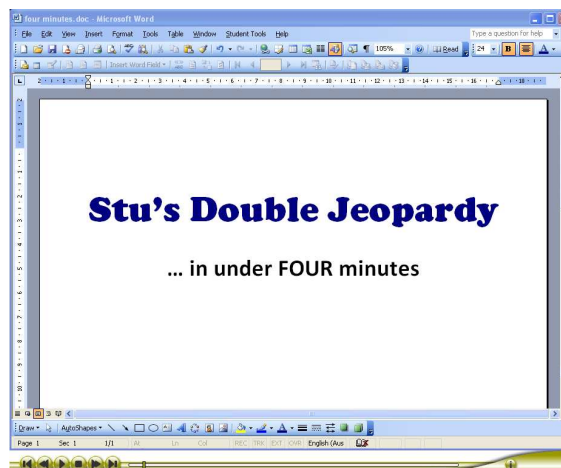

HOW?: As you can see, **places are limited**. Only **THIRTY-TWO high schools** can participate. **Sydney Region IT Services Unit** will be hosting the game from Miranda Regional Office. You will need access to your Connected Classroom and the game board will be displayed on the Interactive Whiteboard while the TV will show each participating school. Questions will be displayed and schools will buzz in to be able to answer. Game show money is on the line. Answer correctly and your school's score goes up. Answer incorrectly and... *well you don't want to do that!* At the end of thirty questions, it's onto **Final Jeopardy!** where each team can risk any or all of their score on the outcome of the final question. Every school is still in it, right up to Final Jeopardy!

INTERESTED?: This will be a fun, educational and motivational activity for the start of the school year. To find out more about how Jeopardy! works, watch the video at **Sydney Region's Podcast Lane** website:

<http://podcastlane.wordpress.com>

To **register your school** for one of the heats, please contact **Stuart Hasic** as soon as possible on **0400 329 522** or via email at **Stuart.Hasic@det.nsw.edu.au** – the spots will be taken up quickly! Let's see if your school can produce the **NSW DET 2009 Stage 4 Jeopardy Champions!**
